

ROOFLOCK[®]

High performance waterproofing tape.

The self-adhesive tape for temporary waterproofing and short term repairs to roofs, gutters, flashings and more.

Rooflock Tape is an extremely high performance, all-purpose waterproofing tape for a very strong durable bond to almost any surface, sealing in seconds. Successfully.

Featuring Microsealant[®] pressure-sensitive adhesive technology, Rooflock Tape is completely bitumen free and creates a waterproof seal in only a few minutes.

It is widely used in the roofing and maintenance industries as a very high performance, long term repair product, as a gutter sealant, or even a general repair tape.

See over for supply options.
